## SEPC Limited Wins ₹230 Crore Turnkey Mining Infrastructure Order from MOIL Limited

**Chennai, December 29, 2025:** SEPC Limited (NSE: SEPC | BSE: 532945), one of India's leading Engineering, Procurement and Construction (EPC) companies with a diversified presence across Water & Municipal Services, Roads, Industrial Infrastructure, and Mining, has received a **Letter of Acceptance (LOA)** from **MOIL Limited**, a Government of India undertaking, for the **design, construction and commissioning of a 3rd Vertical Shaft at the Chikla Mine in Maharashtra**.

The project has been awarded through a global tender process, with SEPC emerging as the **lowest bidder**. The **order value stands at ₹167.85 crore** for domestic scope, along with **USD 36.52 lakh** towards imported plant and machinery.

The scope of work includes complete **turnkey execution**, covering engineering, civil works, furnishing, and installation of equipment. The project is expected to strengthen mining infrastructure and operational efficiency at the Chikla Mine.

### Business Impact

The order strengthens SEPC Limited's presence in the mining infrastructure segment and reflects the Company's ability to secure **complex, high-value projects with long execution cycles**. The contract structure supports **efficient capital utilization** while contributing to a **more predictable and resilient revenue pipeline**. The project further reinforces SEPC's focus on selective growth in core infrastructure sectors backed by defined scope and execution visibility.

### Commenting on the order win Mr. Venkataramani Jaiganesh, Managing Director of SEPC

**Limited, said:** *"This order from MOIL reinforces SEPC's execution capabilities in the mining infrastructure segment and reflects continued trust from public sector clients. The Company remains focused on disciplined project execution and expanding its presence in core infrastructure sectors."*
