### CHAIRMAN'S MESSAGE

### Dear Shareholders,

On behalf of the Board of Directors, it gives me immense pleasure to present the 25<sup>th</sup> Annual Report of your Company, **SEPC Limited**, for the financial year ended March 31, 2025.

The year gone by has been one of resilience and renewal. The Indian economy, notwithstanding global headwinds marked by financial market volatility, tariff barriers, and geopolitical uncertainties, has continued to demonstrate remarkable strength. Supported by a decline in headline inflation, accommodative monetary policy, robust consumption, and the Government's unwavering focus on infrastructure development, our nation is steadily moving on its path to becoming the world's third-largest economy. With favourable demographics, significant infrastructure spending, and ongoing regulatory reforms, the India growth story remains firmly intact.

Amidst this promising backdrop, your Company has made significant strides, combining its EPC expertise with the business channels of our promoters to diversify into new and promising areas. Some of the key achievements during the year include:

- Signing of a **Framework Agreement** with the Roshn Group Company, Riyadh, Kingdom of Saudi Arabia, for infrastructure works valued at **SAR 893 million (approx. INR 2,200 crores)**.
- Securing an Order for a 133 MW AC Solar Power Project in Maharashtra worth INR 650 crores.
- Winning a Drinking Water Project in Bihar worth INR 182 crores.
- Entering the O&M segment with a Power Plant Maintenance Project in Uttar Pradesh, valued at INR 18 crores.
- Active participation in tenders for Steel Plant BOP projects, Deep Shaft Mining projects, Civil Construction, and Refinery Expansion projects.

A notable milestone during the year was the **successful completion of the Deep Shaft Mining project for Hutti Gold Mines Ltd., Karnataka**, culminating in the receipt of the Final Acceptance Certificate (FAC). This accreditation qualifies us for future mining opportunities. The future of mining, globally, is moving underground—not only due to the depletion of surface-level deposits but also owing to the lower environmental footprint of underground mines. Open-cast mining, increasingly constrained by ecological concerns, is giving way to sustainable underground exploration. With India's demand for iron ore, coal, bauxite, and rare minerals expected to grow significantly, the potential in deep shaft mining is both vast and lucrative.

Equally, the Government of India's ambitious initiatives to address water infrastructure challenges—through the **Namami Gange Programme, the National River Conservation Plan, and the Jal Jeevan Mission**—have created immense opportunities for EPC players. Particularly, the Jal Jeevan Mission, with its vision of providing safe tap drinking water to over **16 crore rural households** at an estimated outlay of **INR 3.6 lakh crores**, underscores the scale and promise of this sector.

During the year, your Company also successfully concluded a Partly Paid-up **Rights Issue of INR 350 crores**. We are delighted to share that the issue was oversubscribed, reflecting the deep trust and confidence of our investors in the Company and its new Management. The first tranche of **INR 175 crores** was collected in July 2025, while the balance will be received upon the final call in FY 2026. The proceeds are being prudently directed towards **debt reduction** and **strengthening working capital**, further reinforcing the financial stability of your Company.

As we look ahead, we remain committed to leveraging our technical expertise, expanding into high-potential sectors, and building sustainable value for all stakeholders.

I would like to place on record my profound gratitude to our esteemed shareholders, whose faith and support have been the cornerstone of our journey. My sincere thanks also go to our bankers, customers, supply chain partners, and the Government, whose trust and collaboration continue to propel us forward. I also wish to acknowledge the valuable guidance of my fellow Board members and their steadfast commitment to the Company's vision.

Above all, I extend my heartfelt appreciation to our employees—the true architects of our progress—whose dedication, optimism, and perseverance remain the driving force behind every success we achieve.

With renewed confidence, we stand at the threshold of a promising future, steadfast in our resolve to deliver sustainable growth, contribute meaningfully to nation building, and create enduring value for all our stakeholders.

Warm regards,

Abdulla Mohammad Ibrahim Hassan Abdulla Chairman

### E-Voting:

Pursuant to Section 108 of the Companies Act, 2013 read along with Rule 20 of Companies (Management and Administration)

Rules, 2014 read along with Regulation 44 of SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015 and the aforesaid MCA Circulars, the Company shall provide the facility of remote e-Voting through electronic means to its members in respect of all items of business to be transacted at the Annual General Meeting of the Company.

To ensure compliance with the aforesaid Acts, Regulations and circulars, the company has appointed Central Depository Services Limited as the authorized e-voting agency facilitating the process of e-Voting.

The Board of Directors has appointed Alagar & Associates LLP as the Scrutinizer to scrutinize the e-Voting process via remote e-Voting and e-Voting at the 25<sup>th</sup> AGM in a fair and transparent manner and she/he has consented to act as scrutinizer.

## THE INSTRUCTIONS TO SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The remote e-Voting period begins on September 26, 2025 at 09:00 A.M. and ends on September 28, 2025 at 5.00 P.M. During this period, Members holding shares either in physical form or in dematerialized form, as on the cut-off date i.e., September 22, 2025 may cast their vote electronically. The remote e-Voting module shall be disabled by CDSL for voting thereafter.
- (ii) After dispatch of the notice, any person who acquires shares of the Company and becomes member of the Company as on the cut-off date i.e. September 22, 2025 may obtain the login ID and password by sending an email to <u>investor@cameoindia.com</u> or tsr@sepc.in or <u>helpdesk.evoting@cdslindia.com</u> by mentioning their Folio No./DPID and Client ID No. However, if you are already registered with CDSL for remote e-voting, then you can use your existing user ID and password for casting your vote.

(iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 09, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' Resolutions. However, it has been observed that the participation by the public noninstitutional shareholders/retail shareholders is at a negligible level. There are also multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India which necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of SEBI circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09,2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode CDSL / NSDL is given below:

# EXPLANATIONS OR COMMENTS ON QUALIFICATIONS, RESERVATIONS OR ADVERSE REMARKS OR DISCLAIMER MADE BY THE STATUTORY AUDITORS AND THE SECRETARIAL AUDITORS IN THEIR REPORT

The explanations/comments made by the Board relating to qualifications, reservations or adverse remarks made by the Statutory Auditors and the Secretarial Auditor in their respective reports are furnished below:

## BOARDS RESPONSE TO THE QUALIFICATIONS OF STATUTORY AUDITORS

- i. The carrying value of Deferred Tax Asset (DTA) as on March 31, 2025, include an amount of Rs. 29,548.46 Lakhs (March 31, 2024 Rs.30,870.91 lakhs), which was recognized on carried forward business losses of Rs. 84,559.48 Lakhs (March 31, 2024 Rs.88,343.94 lakhs). Due to non-availability of sufficient appropriate audit evidence to corroborate management's assessment that sufficient taxable profits will be available in the future against which such carried forward business losses can be utilised as required by Ind AS 12: "Income taxes", we are unable to comment on adjustments, if any, that may be required to the carrying value of the aforesaid DTA as on March 31, 2025.
- Non-Current Contract Assets include overdue balances of Rs.6,959.44 Lakhs as on March 31, 2025 (March 31, 2024 Rs.6,959.44 Lakhs) [net of provisions amounting to Rs.926.98. Lakhs (March 31, 2024 Rs.926.98 lakhs)] and Non-Current Trade Receivables include overdue balances

Rs.495.18 Lakhs as on March 31, 2025 (March 31, 2024 Rs.495.18 lakhs) [net of provisions amounting to Rs. 82.99 Lakhs (March 31, 2024: Rs.82.99 lakhs)], relating to dues on projects which have been stalled due to delays in obtaining approvals from the regulatory authorities. Due to the non-availability of sufficient appropriate audit evidence to corroborate management's assessment of the recoverability of the said balances on these projects, we are unable to comment on the carrying value of these non- current Contract Assets and non-current Trade Receivables and the consequential impact if any, on the Standalone financial statements of the Company for the year ended March 31, 2025. (Refer Note 8.1 and 11.1 of the Standalone financial statements).

#### STATUTORY AUDITORS' REMARKS

### **Management Response -1**

The Company has business losses which are allowed to be carried forward and set off against available future taxable profits under the Income Tax Act, 1961, in respect of which the Company has created Deferred Tax Assets ("DTA"). The Company has recognised DTA on the carry forward unabsorbed business losses only to the extent of Rs.84,559.48 lakhs (March 31, 2024: Rs.88,343.94 lakhs) out of the total carry forward unabsorbed business losses of Rs.92,648.02 lakhs that was available as at March 31, 2025 (March 31, 2024-Rs.1,04,486.51 lakhs). The DTA amount recognised by the Company on these carry forward unabsorbed business losses amounts to Rs. 29,548.46 lakhs as at March 31, 2025 (March 31, 2024- Rs. 30,870.91 lakhs). Considering the potential order book as on date, the current projects in the pipeline and a positive future outlook for the Company, the management of the Company is confident of generating sufficient taxable profits in the future and adjust them against these unabsorbed business losses, and accordingly, the DTA as on March 31, 2025,can be utilised before the expiry of the period for which this benefit is available.

### Management Response -2

Non-Current Contract Assets include overdue balances of Rs. 6,959.44 lakhs as at March 31, 2025 (March 31, 2024 Rs. 6,959.44 lakhs), which are net of provisions of Rs. 926.98 lakhs as at March 31, 2025 (March 31, 2024: Rs 926.98 lakhs). The above amount pertain to projects which have been stalled due to delays in obtaining approvals from the regulatory authorities. One of the customers in the said projects is undergoing liquidation process, in respect of which the Company is confident of recovering the dues based on the realisability of the assets available with the said customer. Further, considering the ongoing negotiations with the customers, the management of the Company is confident of recovering both these dues in full.

### SECRETARIAL AUDITOR'S REMARKS

The Secretarial Auditors' Report for the year 2024-2025 does not contain any qualification, reservation or adverse remarks in their report. The Secretarial Auditors' Report is enclosed as Annexure to the Board's report.

# **Management Discussion and Analysis**

## **Economic Overview**

India's resilient economic fundamentals, the government's strong capex push, and emphasis on sustainable infrastructure provide a solid foundation for growth. GDP growth is estimated at **6.7% in FY 2025–26** (compared to **6.5% in FY 2024–25**). While external risks such as global uncertainties and commodity volatility remain, the long-term trajectory for infrastructure and allied sectors continues to be highly promising.

## **Infrastructure Industry Outlook**

The infrastructure sector remains a key growth driver of the Indian economy. Flagship initiatives such as the National Infrastructure Pipeline (NIP), Make in India, Namami Gange Programme, National River Conservation Plan, Jal Jeevan Mission, and PLI schemes are accelerating investments, encouraging private participation, and strengthening India's competitiveness.

The mining sector is also pivotal in supporting infrastructure growth, with opportunities for capacity expansion across iron ore, coal, bauxite, copper, zinc, and aluminium. With surface deposits depleting, the shift toward underground mining is expected to enhance sustainability and long-term resource security.

## **Business Overview**

SEPC Limited ("SEPC") is an Engineering, Procurement, Construction and Commissioning (EPCC) solutions provider with end-to-end capabilities, offering multidisciplinary services across Infrastructure and Industrial EPC.

## **Business Segments:**

### 1. Infrastructure

- Water & Sewerage: Over two decades of experience in drinking water projects, sewerage systems, and resin-based trenchless pipe rehabilitation.
- Roads: Executed projects for MORTH, with plans to expand through new bids and joint ventures.

## 2. Industrial EPC

- Process Plants: Turnkey projects in cement, coal handling, coal gasification, and feed plants.
- Steel Plants: Extensive experience in integrated steel plants (sinter, coke, wire rod mills, compressors, and MHS) through collaborations with global technology partners.

- Mine Development: Expertise in deep shaft sinking across gold, copper, coal, chrome, manganese, and uranium.
- Power Plants: Executed projects in thermal, wind, solar, and biomass energy, with capabilities spanning both conventional and renewable segments.

# **Market Size and Opportunities**

India's EPC market continues to expand, driven by industrial growth, infrastructure investments, and policy reforms. While infrastructure remains dominant, Industrial EPC is gaining traction due to:

- · Rising private capex in manufacturing,
- Government push for import substitution and selfreliance, and
- Liberalized FDI norms in manufacturing and chemicals.

# SEPC is qualified to participate in key national programs:

- Jal Jeevan Mission ₹3.6 lakh Cr outlay.
- Rural Water Supply Over 10 Cr rural homes under Jal Shakti Ministry.
- ADB Urban Water Projects Opportunities across Tamil Nadu cities.
- National Highways ₹5.35 lakh Cr outlay for 65,000 km
- Steel Plant Expansion 143.91 MTPA capacity offering modernization opportunities.
- Green Energy Hydrogen, methanol, ammonia, fuel cells
- Mining Sector Expansion into underground mining projects.
- Rural Infrastructure Housing, agriculture, and smart village projects.

## **SWOT Analysis**

# Strengths:

- Strong technical proficiency and niche engineering expertise.
- Proven track record across water, process, metallurgy, mining, and power.

Annual Report 2024-25 47

Experienced management and effective governance.

## Weaknesses:

- Business performance tied to economic cycles.
- Dependence on promoter support for financial stability.

# **Opportunities:**

- Flagship government programs and private capexled industrial growth.
- Strong presence and access to GCC markets through subsidiaries and promoter networks.

#### Threats:

Regulatory and policy risks inherent to the EPC sector.

# **Internal Control Systems**

The Company has robust internal controls with an independent internal audit function reporting directly to the Chairman of the Audit Committee. Regular reviews ensure adequacy of controls and compliance. The framework fosters accountability, ethical conduct, and effective risk management across operations.

# Financial Performance - FY 2024-25

Revenue Growth: Consolidated revenue grew 6.54%
 YoY.

- Gross Margin: Improved from 23% to 27%.
- **EBITDA:** ₹8,504.57 lakhs (13%) vs. ₹7,248.84 lakhs (12%).
- PAT: ₹2,584.04 lakhs vs. ₹2,278.37 lakhs last year.
- Equity Infusion: Rights Issue of ₹20,000 lakhs strengthened balance sheet.

# **Key Ratios:**

- Debtors Turnover: Decreased by 2%.
- Current Ratio: Up 20% with reduced current liabilities.
- Debt-Equity Ratio: Improved 37% post equity infusion and debt restructuring.
- · Return on Net Worth: Turned negative.
- Interest Coverage Ratio: Increased from 1.63 to 1.67.

## **Human Resources**

As of March 31, 2025, SEPC employed 224 people, over 65% of whom are engineers. The Company emphasizes skill development, continuous training, and a safe workplace. Industrial relations remain cordial, with employee commitment reflected in low attrition levels.

## INDEPENDENT AUDITOR'S REPORT To the Members of SEPC Limited

# Report on the Audit of the Standalone Financial Statements Qualified Opinion

We have audited the accompanying standalone financial statements of SEPC Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss, including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the Basis for Qualified opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

## **Basis for Qualified Opinion**

- i. The carrying value of Deferred Tax Asset (DTA) as on March 31, 2025, include an amount of Rs. 29,548.46 Lakhs (March 31, 2024 Rs.30,870.91 lakhs), which was recognized on carried forward business losses of Rs. 84,559.48 Lakhs (March 31, 2024 Rs.88,343.94 lakhs). Due to non-availability of sufficient appropriate audit evidence to corroborate management's assessment that sufficient taxable profits will be available in the future against which such carried forward business losses can be utilised as required by Ind AS 12: "Income taxes", we are unable to comment on adjustments, if any, that may be required to the carrying value of the aforesaid DTA as on March 31, 2025. (Refer Note 41(B) of the Standalone financial statements).
- ii. Non-Current Contract Assets include overdue balances of Rs.6,959.44 Lakhs as on March 31, 2025 (March 31, 2024 Rs.6,959.44 Lakhs) [net of provisions amounting to Rs.926.98. Lakhs (March 31, 2024 Rs.926.98 lakhs)] and Non-Current Trade Receivables include overdue balances Rs.495.18 Lakhs as on March 31, 2025 (March 31, 2024 Rs.495.18 lakhs) [net of provisions amounting to Rs. 82.99 Lakhs (March 31, 2024: Rs.82.99 lakhs)], relating to dues on projects which have been stalled due to delays in obtaining approvals from the regulatory authorities.

Due to the non-availability of sufficient appropriate audit evidence to corroborate management's assessment of the recoverability of the said balances on these projects, we are unable to comment on the carrying value of these non-current Contract Assets and non-current Trade Receivables and the consequential impact if any, on the Standalone financial statements of the Company for the year ended March 31, 2025. (Refer Note 8.1 and 11.1 of the Standalone financial statements).

These matters were also qualified in our report on the standalone financial statements for the year ended March 31, 2024.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion section we have determined the matters described below to be the key audit matters to be communicated in our report.

## **Provision for Expected credit loss**

Refer to Note no 8,10,11,12,15,16,20 in the Standalone Financial Statements Contract Assets are accounted based on the contractual terms and management's assessment of recoverability from customers. The recoverability of the same is mainly based on certification of the work done as certified by the engineer/expert of the customers as per the specific requirements of the contracts.

Expected credit losses are measured based on the present value of cash shortfalls over the remaining expected lives

of the trade receivables and contract assets. The Company estimates and recognises allowance for expected credit losses on these trade receivables and contract assets which involves consideration of ageing status, historical payment records, the likelihood of collection based on the terms of the contract and the credit information of its customers.

We have identified provisioning for expected credit loss as a key audit matter as the calculation of expected credit loss is a complex area and requires management to make significant assumptions and estimations on customer payment trends and behaviour in order to determine the amounts and timing of expected future cash flows.

## How the Key Audit Matter was addressed in our audit:

Our audit procedures in respect of this area included:

- Obtained an understanding of the Company's process relating to allowance for credit loss and assessed the management's estimate and related policies used in the credit loss analysis.
- Verified design, implementation and operating effectiveness of controls over development of the methodology for the computation of provision for expected credit losses including completeness and accuracy of information used in such estimation and computation.
- Examined, on a test check basis, the objective evidence relating to the impairment of trade receivables and Contract Assets and the key assumptions used in the determination of expected credit loss.
- Reviewed the appropriateness of management's ageing analysis based on days past due by examining the original documents (such as invoices and bank deposit advice) on test check basis.
- 5. Evaluated the competence, capabilities and objectivity of management's expert engaged for the determination of provision for expected credit loss, obtained an understanding of the work of the expert, and evaluated the appropriateness of the expert's work as audit evidence.
- Assessed the adequacy and appropriateness of the disclosures in the financial statements with respect to expected credit losses in accordance with the requirements of applicable Indian Accounting Standards.

## Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Management report, Director's report along with annexures, but does not include the standalone financial statements and our auditor's report thereon.

The Management report, Directors' report along with annexures is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Management report, Directors' report along with annexures, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities Relating to Other Information.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditors' Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Standalone Financial Statements.

## **Report on Other Legal and Regulatory Requirements**

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and except, for the possible effect of the matter described in the Basis for Qualified Opinion above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. Except for the possible effects of the matter described in the Basis of Qualified Opinion section above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books including daily back-up of books of accounts and other books and papers maintained in electronic mode, except for the matters stated in the paragraph 2(i)(vi) below on reporting under rule 11(g).
  - c. The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
  - d. Except, for the matter described in the Basis of Qualified Opinion section above, in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.

- e. The matters described in Basis for Qualified Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
- f. On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- g. The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion above and paragraph 2(i)(vi) below on reporting under Rule 11(g).
- h. With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 56 to the standalone financial statements;
  - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, as stated in note no 64 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of

- the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The Management has represented that. to the best of its knowledge and belief, as stated in note no 64 to the financial statements funds have been received by the Company from any person(s) or entity(ies), including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise. as on the date of this audit report, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, and according to the information and explanations provided to us by the Management in this regard nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material mis-statement.
- The Company has neither declared nor paid any dividend during the year.
- vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account

which has a feature of recording audit trail (edit log) facility, except that audit trail feature was not enabled at the database level from April 1, 2024 to May 4, 2024 in respect of the accounting software to log any direct data changes.

Further, where enabled, audit trail feature has operated for all relevant transactions recorded in the accounting software, except at the database level where it has not operated effectively. Also, during the course of our audit, we did not come across any instance of audit trail feature being tampered with in respect of such accounting software. Additionally, the audit trail of prior year has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in previous year.

 In our opinion, according to information, explanations given to us, the remuneration paid by the Company to its directors is within the limits laid prescribed under Section 197 read with Schedule V of the Act and the rules thereunder.

# ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SEPC LIMITED

## Auditor's Responsibilities for the Audit of the Standalone Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)
  (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

 Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the year ended March 31, 2025 and are therefore, the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# ANNEXURE B TO INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SEPC LIMITED FOR THE YEAR ENDED MARCH 31, 2025

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

- i. (a) A The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment and relevant details of right-of-use assets.
- i. (a) B The Company has maintained proper records showing full particulars of intangible assets.
- i. (b) Property, Plant and Equipment and right of use assets were physically verified by the management according to a phased programme designed to cover all items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of Property, plant and equipment and right of use assets have been physically verified by Management during the year. No material discrepancies were noticed on such verification.
- i. (c) According to the information and explanations given to us, the title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in the standalone financial statements are held in the name of the Company. The title deeds of immovable properties aggregating to Rs. 241.50 Lakhs as at March 31, 2025, are pledged with the banks and are not available with the Company. The same has been independently confirmed by the bank to us and verified by us.
- i. (d) According to the information and explanations given to us, the Company has not revalued its property, plant and Equipment (including Right of Use assets) and intangible assets during the year. Accordingly, the provisions stated under clause 3(i)(d) of the Order are not applicable to the Company.
- i. (e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Accordingly, the provisions stated under clause 3(i)
   (e) of the Order are not applicable to the Company.
- ii. (a) The Company is involved in the business of rendering design, engineering, procurement, construction and

- project management services. Accordingly, the provisions stated under clause 3(ii)(a) of the Order are not applicable to the Company.
- ii. (b) During the year, the Company has been sanctioned working capital limits in excess of Rs. 500 Lakhs rupees, in aggregate from Banks and financial institutions, on the basis of security of current assets. Based on the records examined by us in the normal course of audit of the standalone financial statements, quarterly statements filed with such Banks and financial institutions are in agreement with the books of accounts of the Company.
- iii. (a) According to the information and explanations provided to us, the Company has provided loans to its employees.
  - (A) The details of such loans to parties other than Subsidiaries, Joint ventures and Associates are as follows:

	Amount Demanded Rs. In Lakhs
Aggregate amount granted/provided during the year	
-Others	39.26
Balance Outstanding as at balance sheet date in respect of above cases	
-Others	60.62

- (b) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the terms and conditions in relation to grant of the loans are not prejudicial to the interest of the Company.
- (c) In case of the loans, schedule of repayment of principal and payment of interest have been stipulated and the borrowers have been regular in the repayment of the principal and payment of interest, except for a case where the loan is repayable on demand. During the year, the Company has not demanded such loan or interest. Accordingly, in our opinion the repayments of principal amounts and receipts of interest are regular.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no amounts overdue for more than ninety days in respect of the loans granted.

- (e) According to the information and explanations provided to us, there were no loans granted which has fallen due or demanded by the Company during the year.
- (f) According to the information and explanations provided to us, the Company has granted loans repayable on demand.

The details of the same are as follows:

	Amount Demanded Rs. In Lakhs
Aggregate amount of loans - Repayable on demand (A) - Agreement does not specify any terms or period of repayment (B)	35.00 Nil
Total (A+B)	35.00
Percentage of loans to the total loans	58%

- iv. According to the information and explanations given to us, the provisions of Section 185 of 'the Act', is not applicable to the Company. The Company has complied with the provisions of Section 186 of 'the Act', in respect of investments made. The Company has neither granted any loans nor given any guarantees or securities and hence provisions of Section 186 of 'the Act' with respect to loans, guarantees and securities is not applicable.
- v. According to the information and explanations given to us, the Company has neither accepted any deposits from the public nor any amounts which are deemed to be deposits, within the meaning of the provisions of

- Sections 73 to 76 of the Act and the rules framed there under. Accordingly, the requirement to report under clause 3(v) of the Order is not applicable to the Company.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records examined by us, in our opinion, undisputed statutory dues including Goods and Services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues have generally been regularly deposited with the appropriate authorities during the year, though there has been a slight delay in a few cases.

No undisputed amounts payable in respect of these statutory dues were outstanding as at March 31, 2025, for a period of more than six months from the date they became payable.

vii. (b) According to the information and explanations given to us and the records examined by us, details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2025, on account of any dispute, are as follows:

- viii. According to the information and explanations given to us, there are no transaction which are not recorded in the books of account which have been surrendered or disclosed as income during the year in Income-tax Assessment under the Income Tax Act, 1961. Accordingly, the requirement to report as stated under clause 3(viii) of the Order is not applicable to the Company.
- ix. (a) In our opinion and according to the information and explanations given to us and the records of the Company examined by us, the Company has not defaulted in repayment of loans or borrowings or in payment of interest thereon to any lender.
- ix. (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- ix. (c) In our opinion and according to the information and explanations provided to us, no money was raised by way of term loans during the year. Accordingly, the requirement to report under clause 3(ix)(c) of the Order is not applicable to the Company.
- ix. (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the standalone financial statements of the Company, we report that no funds raised on short-term basis have been utilised for long-term purposes by the Company.
  - (e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from an any entity or person on account of or to meet the obligations of its subsidiaries.
- ix. (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries. Accordingly, the requirement to report under Clause 3(ix)(f) of the order is not applicable to the Company.

- x. (a) In our opinion and according to the information and explanations given to us, money raised by way of rights issue of the equity shares of the Company during the year, have been, prima facie, applied by the Company during the year for the purposes for which they were raised and there were no delays or default regarding application. Further, the Company has not raised any monies by way of debt instruments.
- x. (b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partly, or optionally convertible) during the year. Accordingly, the requirements to report under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) Based on our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we report that no fraud by the Company or no material fraud on the Company has been noticed or reported during the year.
- xi. (b) During the year no report under Section 143(12) of the Act, has been filed by cost auditor or secretarial auditor or by us in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- xi. (c) As represented to us by the Management, there are no whistle-blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company. Accordingly, the provisions stated under clause 3(xii)(a) to (c) of the Order are not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

- xiv. (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- xiv. (b) We have considered the internal audit reports of the Company issued till the date of our audit report, for the period under audit.
- xv. According to the information and explanations given to us, and based on our examination of the records of the Company, in our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, the requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) The Company is not required to be registered under Section 45 IA of the Reserve Bank of India Act, 1934 (2 of 1934) and accordingly, the requirements to report under clause 3(xvi)(a) of the Order is not applicable to the Company.
- xvi. (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities during the year and accordingly, the provisions stated under clause 3 (xvi)(b) of the Order are not applicable to the Company.
- xvi. (c) The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report under clause 3 (xvi)(c) of the Order is not applicable to the Company.
- xvi. (d) The Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any Core Investment Company (as part of its group. Accordingly, the requirement to report under clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. Based on the overall review of standalone financial statements, the Company has not incurred cash losses in the current financial year and in the immediately preceding financial year. Accordingly, the requirement to report under clause 3(xvii) of the Order is not applicable to the Company.

- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios (as disclosed in note 57 to the standalone financial statements), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx According to the information and explanations given to us and based on our verification, since the Company has not made average net profits during the three immediately preceding financial years, the Company is not required to spend the amount as prescribed under section 135(5) of the Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said Clause has been included in the report.

# ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SEPC LIMITED

[Referred to in paragraph 2(h) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of SEPC Limited on the Financial Statements for the year ended March 31, 2025]

# Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of **SEPC Limited** ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Qualified Opinion**

In our opinion, the Company has, in all material respects, maintained adequate internal financial controls with reference to standalone financial statements as of March 31, 2025, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI), and except for the possible effects of the material weaknesses described in Basis for Qualified Opinion Section below on the achievement of the objectives of the control criteria, the Company's internal financial controls with reference to standalone financial statements were operating effectively as of March 31, 2025.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company for the year ended March 31, 2025, and these material weaknesses have affected our opinion on the standalone financial statements of the Company for the year ended on that date and we have issued a qualified opinion on the standalone financial statements.

## **Basis for Qualified Opinion**

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of the Company's internal financial controls with reference to standalone financial statements as at March 31, 2025:

a) Provisioning of expected credit loss against the noncurrent contract assets and non-current trade receivables which are outstanding for a substantial period of time, and which could potentially result in the Company not recognizing a provision against the said assets. b) Assessment of future taxable profits which could result in recognition of excess deferred tax asset which the Company may not be able to utilize for set-off against sufficient future taxable profits.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control with reference to standalone financial statements, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

## Management's and Board of Director's Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing

the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls with reference to standalone financial statements.

## Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

## Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## 2 Material accounting policies

Material accounting policies adopted by the company are as under:

## 2.1 Basis of Preparation of Financial Statements

The financial statements have been prepared using material accounting policies and measurement basis summarised below. These were used throughout all periods presented in the financial statements

#### (a) Statement of Compliance with Ind AS

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards). Rules, 2015 and amendments thereof issued by Ministry of Corporate Affairs in exercise of the powers conferred by section

133 of the Companies Act, 2013. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment. These financial statements have been approved for issue by the Board of Directors at its meeting held on May 29, 2025.

#### (b) Basis of measurement

The financial statements have been prepared on a historical cost convention on accrual basis, except certain financial assets and liabilities measured at fair value (Refer Accounting Policy No. 2.9 on financial instruments).

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. The normal operating cycle of the entity for Construction contracts is the duration of 2 to 3 years depending on each contract.

### (c) Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The statement of cash flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Amounts in the financial statements are presented in Indian Rupees in Lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013. Per share data are presented in Indian Rupees to two decimal places.

## (d) Use of estimates

The preparation of financial statements in conformity with Ind AS requires the

(Amount in ₹ lakhs, unless otherwise stated)

Management to make estimate assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon the Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates include useful lives of property, plant and equipment & intangible assets, allowance for expected credit loss, future obligations in respect of retirement benefit plans, expected cost of completion of contracts, fair value measurement, etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known. Refer Note 3 for detailed discussion on estimates and judgments.

## (e) Interests in Joint Operations

When the Company has joint control of the arrangement based on contractually determined right to the assets and obligations for liabilities, it recognises such interests as joint operations. Joint control exists when the decisions about the relevant activities require unanimous consent of the parties sharing the control. In respect of its interests in joint operations, the Company recognises its share in assets, liabilities, income and expenses lineby-line in the standalone financial statements of the entity which is party to such joint arrangement which then becomes part of the consolidated financial statements of the Group when the financial statements of the Holding Company and its subsidiaries are combined for consolidation.

## 2.2 Fair value measurement

The Company maintains accounts on accrual basis following the historical cost convention, except for certain financial instruments that are measured at fair value in accordance with Ind AS. The carrying value of all the items of property, plant and equipment as on date of transition is considered as the deemed cost.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability accessible to the Company.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. The Company's management determines the policies and procedures for fair value measurement.

Fair value measurements under Ind AS are categorised as below based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access at measurement date:
- Level 2 inputs are inputs, other than quoted prices included in level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the valuation of assets/liabilities"

### 2.3 Revenue Recognition

A. The Company recognises revenue from contracts with customers when it satisfies a performance obligation by transferring promised good or service to a customer. The revenue is recognised to the extent of transaction price allocated to the performance obligation satisfied. Performance obligation is satisfied over time when the transfer of control of asset (good or service) to a customer is done over time and in other cases, performance obligation is satisfied at a point in time. For performance obligation satisfied over time,

(Amount in ₹ lakhs, unless otherwise stated)

the revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation. The progress is measured in terms of a proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation. Transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring good or service to a customer excluding amounts collected on behalf of a third party. Variable consideration is estimated using the expected value method or most likely amount as appropriate in a given circumstance. Payment terms agreed with a customer are as per business practice and there is no financing component involved in the transaction price. Costs to obtain a contract which are incurred regardless of whether the contract was obtained are charged-off in Statement of Profit and Loss immediately in the period in which such costs are incurred. Incremental costs of obtaining a contract, if any, and costs incurred to fulfil a contract are amortised over the period of execution of the contract in proportion to the progress measured in terms of a proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation. Significant judgments are used 1. Determining the revenue to be recognised in case of performance obligation satisfied over a period of time; revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation. The progress is measured in terms of a proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation. 2. Determining the expected losses, which are recognised in the period in which such losses become probable based on the expected total contract cost as at the reporting date."

B. Revenue from construction contracts/ project related activity and contracts for supply/commissioning of complex plant and equipment is recognised as follows:

Fixed price contracts: Contract revenue is recognised only to the extent of cost incurred till such time the outcome of the job cannot be ascertained reliably subject to condition

that it is probable the such cost will be recoverable. When the outcome of the contract is ascertained reliably, contract revenue is recognised at cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion is the proportion of cost of work performed to date, to the total estimated contracts cost.

The estimated outcome of a contract is considered reliable when all the following conditions are satisfied:

- (i) The amount of revenue can be measured reliably;
- (ii) It is probable that the economic benefits associated with the contract will flow to the company;
- (iii) The stage of completion of the contract at the end of the reporting period can be measured reliably; and
- (iv) The costs incurred or to be incurred in respect of the contract can be measured reliably.

Expected loss, if any, on a contract is recognised as expense in the period in which it is foreseen, irrespective of the stage of completion of the contract.

For contracts where progress billing exceeds the aggregate of contract costs incurred to-date and recognised profits (or recognised losses, as the case may be), the surplus is shown as the amount due to customers. Amounts received before the related work is performed are disclosed in the Balance sheet as a liability towards advance received. Amounts billed for work performed but yet to be paid by the customer are disclosed in the Balance sheet as trade receivables. The amount of retention money due form customers within the next twelve months are classified under other current assets as Trade Receivable.

Revenue from contracts from rendering engineering design services and other services which are directly related to construction of an asset is recognised on the same basis as stated in (B) above.

(Amount in ₹ lakhs, unless otherwise stated)

#### Other Income

Interest Income is recognised on a basis of effective interest method as set out in Ind AS 109, Financial Instruments, and where no significant uncertainty as to measurability or collectability exists.

Dividend income is accounted in the period in which the right to receive the same is established.

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

#### 2.4 Taxes

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year.

## (a) Current income tax

Current tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the year end date. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

The company has not opted to exercise the option under section 115BAA of the income tax 1961, as introduced by the taxation laws (Amendment) ordinance, 2019 and decided to continue with the existing rate of tax for the purpose of deferred tax computation.

## (b) Deferred tax

Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using

tax rates (and laws) that have been enacted or substantially enacted by the end of the year and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority."

Current and deferred tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

### 2.5 Exceptional items

An item of income or expense which by its size, type or incidence requires disclosure in order to improve an understanding of the performance of the company is treated as an exceptional item and the same is disclosed in the notes to accounts.

## 2.6 Impairment of non-financial assets

The Company assesses at each year end whether there is any objective evidence that a non financial asset or a group of non financial assets is impaired. If any such indication exists, the Company estimates the asset's recoverable amount and the amount of impairment loss.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognized in Statement of Profit and Loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset,

(Amount in ₹ lakhs, unless otherwise stated)

the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through Statement of Profit and Loss.

The recoverable amount of an asset or cashgenerating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash in flows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit")."

## 2.7 Provisions and contingent liabilities

Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date. Where the unavoidable costs of meeting the obligations under the contract exceed the economic

benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

#### 2.8 Commitments

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- estimated amount of contracts remaining to be executed on capital account and not provided for:
- b) uncalled liability on shares and other investments partly paid;
- funding related commitment to subsidiary, associate and joint venture companies; and
- d) other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

### 2.9 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### (a) Financial assets

### (i) Initial recognition and measurement

At initial recognition, financial asset is measured at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

## (ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- a) at amortized cost; or
- at fair value through other comprehensive income; or
- at fair value through profit or loss.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

(Amount in ₹ lakhs, unless otherwise stated)

Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. Interest income from these financial assets is included in finance income using the effective interest rate method (EIR).

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss: Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

The company has currently excercised the irrevocable option to present in Other comprehensive Income, subsequent changes in the Fair value of Equity Instruments. Such an election has been made on instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

## (iii) Impairment of financial assets

In accordance with Ind AS 109, Financial Instruments, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets that are measured at amortized cost and FVOCI.

For recognition of impairment loss on financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial

recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent years, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12 month ECL.

Life time ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the year end.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/expense in the statement of profit and loss. In balance sheet, ECL for financial assets measured at amortized cost is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

## (iv) Derecognition of financial assets

A financial asset is derecognized only when

- the rights to receive cash flows from the financial asset is transferred or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

(Amount in ₹ lakhs, unless otherwise stated)

Where the financial asset is transferred then in that case financial asset is derecognized only if substantially all risks and rewards of ownership of the financial asset is transferred. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized."

### (b) Financial liabilities

## (i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss and at amortized cost, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs.

## (ii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

## Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

#### Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR

amortization is included as finance costs in the Statement of Profit and Loss.

## (iii) Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss as finance costs.

## (c) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

## 3 Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future years.

### 4 Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the year end date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and

(Amount in ₹ lakhs, unless otherwise stated)

estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

## (a) Taxes

The extent to which deferred tax assets can be recognized is based on an assessment of the probability that future taxable income will be available against which the deductible temporary differences and tax loss carryforwards can be utilized. In addition, significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

## (b) Construction Contracts

Recognizing construction contract revenue requires significant judgement in determining actual work

- performed and the estimated costs to complete the work, provision for rectification costs, variation claims etc"
- (c) In assessing the recoverability of the trade receivables and contracts assets, management's judgement involves consideration of ageing status, evaluation of litigations and the likelihood of collection based on the terms of the contract

## 5 Standards (including amendments) issued but not yet effective

## Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

#### Nature and Purpose of Reserves

#### Securities premium reserve

Securities premium reserve is used to record the premium on issue of shares. The reserve will be utilised in accordance with provisions of the Act.

#### **General Reserve**

The Company created a General Reserve in earlier years pursuant to the provisions of the Companies Act wherein certain percentage of profits were required to be transferred to General Reserve before declaring dividends. As per the Companies Act 2013, the requirement to transfer profits to General Reserve is not mandatory. General Reserve is a free reserve available to the Company.

#### Capital reserve

Capital reserve was created under the previous GAAP out of the profit earned from a specific transaction of capital nature. Capital reserve is not available for the distribution to the shareholders.

#### (B) Defined benefit plans (Unfunded)

#### Risks associated with plan provisions

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such Company is exposed to various risks as follows:

Investment Risk	The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.
Interest risk	The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability.
Salary Escalation Risk	The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
Demographic Risk	The Company has used certain mortality and attrition assumptions in valuation of the liability. The Group is exposed to the risk of actual experience turning out to be worse compared to the assumption.

In respect of the plan in India, the most recent actuarial valuation of the present value of the defined benefit obligation were carried out as at March 31, 2025 by Ms.V Subbulakshmi, Fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

No other post-retirement benefits are provided to these employees.

#### 51 Financial risk management objectives and policies

The Company is exposed to various financial risks. These risks are categorized into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Company does not engage in trading of financial assets for speculative purposes.

#### (A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings and financial instruments.

#### (i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's outstanding debt in local currency is on fixed rate basis and hence not subject to interest rate risk.

#### (ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a different currency from the Company's functional currency).

The net exposure to foreign currency in respect of recognized financial assets, recognized financial liabilities and derivatives is as follows:

 Forward exchange contracts entered into by the Company and outstanding as on March 31, 2025 - Nil (March 31, 2024-Nil)

#### Foreign currency sensitivity analysis:

Movement in the functional currencies of the various operations of the Company against major foreign currencies may impact the Company's revenues from its operations. Any weakening of the functional currency may impact the Company's import payments and cost of borrowings.

The foreign exchange rate sensitivity is calculated for each currency by aggregation of the net foreign exchange rate exposure of a currency and a parallel foreign exchange rates shift in the foreign exchange rates of each currency by 2%, which represents Management's assessment of the reasonably possible change in foreign exchange rates.

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments. The following table details the Company's sensitivity movement in the increase / decrease in foreign currencies exposures (net):

#### (B) Credit risk

The credit risk to the company arises from two sources:

a) Customers, who default on their contractual obligations, thus resulting in financial loss to the Company

Company evaluates the credentials of a customer at a very early stage of the bid. Company has adopted a policy of 3 tier verification before participating for any bid. The first step of such verification includes verification of customer credentials. The company, as part of verification of the customer credentials, ensures the compliance with the following criterion

- (i) Customer's financial health by examining the audited financial statements
- (ii) Whether the Customer has achieved the financial closure for the work for which the company is bidding
- (iii) Where the customer is Public Sector Undertaking, sanction and availability of adequate financial resources for the proposed work.

Company makes provision on it's financial assets, on every reporting period, as per Expected Credit Loss Method. The provision is made separately for each financial assets of each business line. The percentage at which the provision is made, is determined on the basis of historical experience of such provisions, modified to the current and prospective business and customer profile.

Trade receivables consist of large number of customers, spread across diverse industries and geographical areas. Majority of the customers of the company comprise of Public Sector Undertakings, with whom the company does not perceive any credit risk. As regards the customers from private sector, company carries out financial evaluation on regular basis and provides for any amount perceived as non realisable, in the books of accounts.

b) Non certification by the customers, either in part or in full, the works billed as per the contract, being non claimable cost as per the terms of the contract with the customer

Non certification of works billed The Company has contract claims from customers including costs on account of account of delays / changes in scope / design by them etc. which are at various stages of discussions / negotiations or under arbitrations. The realisability of these claims are estimated based on contractual terms, historical experience with similar claims as well as legal opinion obtained from internal and external experts, wherever necessary. Changes in facts of the case or the legal framework may impact realisability of these claims

The Company provides for doubtful receivables/advances and expected credit loss based on 12 months and lifetime expected credit loss basis for following financial assets:

#### INDEPENDENT AUDITOR'S REPORT

#### To the Members of SEPC Limited

## Report on the Audit of the Consolidated Financial Statements

#### **Qualified Opinion**

We have audited the accompanying consolidated financial statements of SEPC Limited (hereinafter referred to as the "Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2025, and the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Financial Statements, including material accounting policy information and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on consideration of report of other auditor on consolidated financial statements, except for the possible effects of the matter described in Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of their consolidated state of affairs of the Group as at March 31, 2025, of consolidated profit (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

#### **Basis for Qualified Opinion**

- i. The carrying value of Deferred Tax Asset (DTA) as on March 31, 2025, include an amount of Rs. 29,548.46 Lakhs (March 31, 2024 Rs.30,870.91 lakhs), which was recognized on carried forward business losses of Rs. 84,559.48 Lakhs (March 31, 2024 Rs.88,343.94 lakhs). Due to non-availability of sufficient appropriate audit evidence to corroborate management's assessment that sufficient taxable profits will be available in the future against which such carried forward business losses can be utilised as required by Ind AS 12: "Income taxes", we are unable to comment on adjustments, if any, that may be required to the carrying value of the aforesaid DTA as on March 31, 2025. (Refer Note 41(B) of the Consolidated financial statements).
- Non-Current Contract Assets include overdue balances of Rs.6,959.44 Lakhs as on March 31, 2025 (March 31,

2024 Rs.6,959.44 Lakhs) [net of provisions amounting to Rs.926.98. Lakhs (March 31, 2024 Rs.926.98 lakhs)] and Non-Current Trade Receivables include overdue balances Rs.495.18 Lakhs as on March 31, 2025 (March 31, 2024) Rs.495.18 lakhs) [net of provisions amounting to Rs. 82.99 Lakhs (March 31, 2024: Rs.82.99 lakhs)], relating to dues on projects which have been stalled due to delays in obtaining approvals from the regulatory authorities. Due to the non-availability of sufficient appropriate audit evidence to corroborate management's assessment of the recoverability of the said balances on these projects, we are unable to comment on the carrying value of these non- current Contract Assets and non-current Trade Receivables and the consequential impact if any, on the Consolidated financial statements of the Company for the year ended March 31, 2025. (Refer Note 8.1 and 11.1 of the Consolidated financial statements).

These matters were also qualified in our report on the consolidated financial statements for the year ended March 31, 2024.

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by Institute of Chartered Accountant of India ("ICAI"), and the relevant provisions of the Act and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained and on consideration of audit report of other auditor referred to in paragraph (a) of the "Other Matters" section below, is sufficient and appropriate to provide a basis for our qualified opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters described in the Basis for Qualified Opinion section we have determined the matters described below to be the key audit matters to be communicated in our report:

#### **Provision for Expected credit loss**

Refer to Note no 8,10,11,12,15,16,20 in the Consolidated Financial statements

Contract Assets are accounted based on the contractual terms and management's assessment of recoverability from customers. The recoverability of the same is mainly based on certification of the work done as certified by the engineer/expert of the customers as per the specific requirements of the contracts.

Expected credit losses are measured based on the present value of cash shortfalls over the remaining expected lives of the trade receivables and contract assets. The Company estimates and recognises allowance for expected credit losses on these trade receivables and contract assets which involves consideration of ageing status, historical payment records, the likelihood of collection based on the terms of the contract and the credit information of its customers.

We have identified provisioning for expected credit loss as a key audit matter as the calculation of expected credit loss is a complex area and requires management to make significant assumptions and estimations on customer payment trends and behaviour in order to determine the amounts and timing of expected future cash flows.

#### How the Key Audit Matter was addressed in our audit:

Our audit procedures in respect of this area included:

- Obtained an understanding of the Company's process relating to allowance for credit loss and assessed the management's estimate and related policies used in the credit loss analysis.
- Verified design, implementation and operating effectiveness of controls over development of the methodology for the computation of provision for expected credit losses including completeness and accuracy of information used in such estimation and computation.
- Examined, on a test check basis, the objective evidence relating to the impairment of trade receivables and Contract Assets and the key assumptions used in the determination of expected credit loss.
- Reviewed the appropriateness of management's ageing analysis based on days past due by examining the original documents (such as invoices and bank deposit advice).
- Evaluated the competence, capabilities and objectivity of management's expert engaged for the determination of provision for expected credit loss,

- obtained an understanding of the work of the expert, and evaluated the appropriateness of the expert's work as audit evidence.
- Assessed the adequacy and appropriateness of the disclosures in the financial statements with respect to expected credit losses in accordance with the requirements of applicable Indian Accounting Standards

## Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management report, Director's report including annexures but does not include the consolidated financial statements and our auditor's report thereon.

The Management report, Directors' report along with annexures is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Management report, Directors' report along with annexures, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities Relating to Other Information.

## Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate

accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each company.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Consolidated Financial Statements.

#### **Other Matters**

 We did not audit the financial statements of one subsidiary (including step down subsidiary), whose financial statements reflect total assets of Rs. 8,918.85 Lakhs as at March 31, 2025, total revenues of Rs. Nil Lakhs and net cash outflow amounting to Rs. 1.45 Lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditor.

This subsidiary is located outside India whose financial statements have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial statements of such subsidiary located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiary located outside India is based on the report of other auditor and the conversion adjustments prepared by the management of the Holding Company and audited by us.

#### **Report on Other Legal and Regulatory Requirements**

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and except for the possible effect of the matter described in the Basis for Qualified Opinion above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
  - b. Except for the possible effects of the matter described in the Basis for Qualified Opinion section above, in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination

- of those books and the reports of the other auditors, including daily back-up of books of accounts and other books and papers maintained in electronic mode except as stated in the paragraph 1(i)(vi) below on reporting under Rule 11(q).
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d. Except for the possible effects of the matter described in Basis for Qualified Opinion section above, in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- e. The matter described in Basis of Qualified Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Group.
- f. On the basis of the written representations received from the directors of the Holding Company as on March 31, 2025 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company are disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- g. The qualification matter relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above and paragraph 1(i)(vi) below on reporting under Rule 11(g).
- h. With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group- Refer Note 56 to the consolidated financial statements.

- ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company.
- (a) The Management of the Holding Company whose financial statements have been audited under the Act have represented to us that, to the best of their knowledge and belief, as disclosed in note 63 to the consolidated financial statements that no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company to or in any other person(s) or entity(ies), including foreign entities with the understanding. whether recorded in writing or otherwise, as on the date of this audit report, that such parties shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company ("Ultimate Beneficiaries") or provide any quarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - The Management of the Holding Company whose financial statements have been audited under the Act have represented to us that, to the best of their knowledge and belief, as disclosed in note 63 to the consolidated financial statements that no funds have been received by the Holding Company from any person(s) or entity(ies), including foreign entities with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Holding Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances

performed by us and according to the information and explanations provided to us by the Management of the Holding company in this regard nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material mis-statement.

- v. The Company has neither declared nor paid any dividend during the year.
- vi. Based on our examination which included test checks, the Holding Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility, except that audit trail feature was not enabled at the database level from April 1, 2024 to May 4, 2024 in respect of the accounting software to log any direct data changes.

Further, where enabled, audit trail feature has operated for all relevant transactions recorded in the accounting software, except at the database level where it has not operated effectively. Also, during the course of our audit,

we did not come across any instance of audit trail feature being tampered with in respect of such accounting software. Additionally, the audit trail of prior year has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in previous year.

 In our opinion, according to information, explanations given to us, the remuneration paid by the Holding Company to its directors is within the limits laid prescribed under Section 197 read with Schedule V of the Act and the rules thereunder.

## ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF SEPC LIMITED

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement
  of the consolidated financial statements, whether due
  to fraud or error, design and perform audit procedures
  responsive to those risks, and obtain audit evidence that
  is sufficient and appropriate to provide a basis for our
  opinion. The risk of not detecting a material misstatement
  resulting from fraud is higher than for one resulting from
  error, as fraud may involve collusion, forgery, intentional
  omissions, misrepresentations, or the override of internal
  control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)

   (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management and board of directors.
- Conclude on the appropriateness of the management and board of director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures

in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content
  of the consolidated financial statements, including the
  disclosures, and whether the consolidated financial
  statements represent the underlying transactions and
  events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may

reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statement for the year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so

would reasonably be expected to outweigh the public interest benefits of such communication.

## ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF SEPC LIMITED

[Referred to in paragraph 1(h) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of SEPC Limited on the Consolidated Financial Statements for the year ended March 31, 2025]

# Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2025, we have audited the internal financial controls with reference to consolidated financial statements of SEPC Limited (hereinafter referred to as "the Holding Company") and its subsidiary company (the Holding Company and its subsidiary together referred to as "the Group"), as of that date.

Reporting under clause (i) of sub section 3 of Section 143 of the Act in respect of the adequacy of the internal financial controls with reference to financial statements is not applicable to the foreign subsidiary, pursuant to MCA notification GSR 583(E) dated 13 June 2017.

#### **Qualified opinion**

In our opinion, and to the best of our information and according to the explanations given to us, the Group, have, in all material respects, maintained adequate internal financial controls with reference to consolidated financial statements as of March 31. 2025, based on the internal financial control with reference to consolidated financial statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI") and except for the possible effects of the material weaknesses described in the Basis for Qualified Opinion paragraph on the achievement of the objectives of the control criteria, the internal financial controls with reference to consolidated financial statements of the Group, which are companies incorporated in India, were operating effectively as of March 31, 2025.

We have considered the material weaknesses identified and reported below in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2025 consolidated financial statements of the Group, and these material weaknesses have affected our opinion on the consolidated financial statements of the Group for the year ended on that date and we have issued a qualified opinion on the consolidated financial statements.

#### **Basis for Qualified Opinion**

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of the Group's internal financial controls with reference to consolidated financial statements as at March 31, 2025:

- a) Provisioning of expected credit loss against the noncurrent contract assets and non-current trade receivables which are outstanding for a substantial period of time, and which could potentially result in the Company not recognizing a provision against the said assets.
- b) Assessment of future taxable profits which could result in recognition of excess deferred tax asset which the Company may not be able to utilize for set-off against sufficient future taxable profits.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control with reference to consolidated financial statements, such that there is a reasonable possibility that a material misstatement of the annual or interim financial statements will not be prevented or detected on a timely basis.

### Management and Board of Director's Responsibility for Internal Financial Controls

The Management and the Board of Directors of the Holding Company are responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to consolidated financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Group, based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of

internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls with reference to consolidated financial statements of the Group.

### Meaning of Internal Financial Controls With reference to Consolidated Financial Statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in

reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

### Inherent Limitations of Internal Financial Controls With reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### 2 Material accounting policies

Material accounting policies adopted by the company are as under:

#### 2.1 Basis of Preparation of Financial Statements

The financial statements have been prepared using material accounting policies and measurement basis summarised below. These were used throughout all periods presented in the financial statements

### (a) Statement of Compliance with Ind AS

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards ("Ind AS") notified under the Companies

(Indian Accounting Standards). Rules, 2015 and amendments thereof issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 of the Companies Act, 2013. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment. These financial statements have been approved for issue by the Board of Directors at its meeting held on May 29, 2025.

#### (b) Basis of measurement

The financial statements have been prepared on a historical cost convention on accrual basis, except certain financial assets and liabilities measured at fair value (Refer Accounting Policy No. 2.9 on financial instruments).

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. The normal operating cycle of the entity for Construction contracts is the duration of 2 to 3 years depending on each contract.

### (c) Presentation of financial statements

"The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The statement of cash flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Amounts in the financial statements are presented in Indian Rupees in Lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013. Per share data are presented in Indian Rupees to two decimal places.

### (d) Use of estimates

The preparation of financial statements in conformity with Ind AS requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon the Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates include useful lives of property, plant and equipment & intangible assets, allowance for expected credit loss, future obligations in respect of retirement benefit plans, expected cost of completion of contracts, fair value measurement, etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.. Refer Note 3 for detailed discussion on estimates and judgments.

### (e) Interests in Joint Operations

When the Company has joint control of the arrangement based on contractually determined right to the assets and obligations for liabilities, it recognises such interests as joint operations. Joint control exists when the decisions about the relevant activities require unanimous consent of the parties sharing the control. In respect of its interests in joint operations, the Company recognises its share in assets, liabilities, income and expenses line-by-line in the standalone financial statements of the entity which is party to such joint arrangement which then becomes part of the consolidated financial statements of the Group when the financial statements of the Holding Company and its subsidiaries are combined for consolidation.

#### 2.2 Fair value measurement

The Company maintains accounts on accrual basis following the historical cost convention, except for certain financial instruments that are measured at fair value in accordance with Ind AS. The carrying value of all the items of property, plant and equipment as on date of transition is considered as the deemed cost.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability accessible to the Company.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. The Company's management determines the policies and procedures for fair value measurement.

Fair value measurements under Ind AS are categorised as below based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access at measurement date;
- Level 2 inputs are inputs, other than quoted prices included in level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the valuation of assets/liabilities"

### 2.3 Revenue Recognition

The Company recognises revenue from contracts with customers when it satisfies a performance obligation by transferring promised good or service to a customer. The revenue is recognised to the extent of transaction price allocated to the performance obligation satisfied. Performance obligation is satisfied over time when the transfer of control of asset (good or service) to a customer is done over time and in other cases, performance obligation is satisfied at a point in time. For performance obligation satisfied over time, the revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation. The progress is measured in terms of a proportion

of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation.

Transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring good or service to a customer excluding amounts collected on behalf of a third party. Variable consideration is estimated using the expected value method or most likely amount as appropriate in a given circumstance. Payment terms agreed with a customer are as per business practice and there is no financing component involved in the transaction price. Costs to obtain a contract which are incurred regardless of whether the contract was obtained are charged-off in Statement of Profit and Loss immediately in the period in which such costs are incurred. Incremental costs of obtaining a contract, if any, and costs incurred to fulfil a contract are amortised over the period of execution of the contract in proportion to the progress measured in terms of a proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation.

### Significant judgments are used in:

- Determining the revenue to be recognised in case
  of performance obligation satisfied over a period
  of time; revenue recognition is done by measuring
  the progress towards complete satisfaction of
  performance obligation. The progress is measured
  in terms of a proportion of actual cost incurred todate, to the total estimated cost attributable to the
  performance obligation.
- Determining the expected losses, which are recognised in the period in which such losses become probable based on the expected total contract cost as at the reporting date."
- B. Revenue from construction contracts/project related activity and contracts for supply/commissioning of complex plant and equipment is recognised as follows:

Fixed price contracts: Contract revenue is recognised only to the extent of cost incurred till such time the outcome of the job cannot be ascertained reliably subject to condition that it is probable the such cost will be recoverable. When the outcome of the contract is ascertained reliably, contract revenue is

recognised at cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion is the proportion of cost of work performed to date, to the total estimated contracts cost.

The estimated outcome of a contract is considered reliable when all the following conditions are satisfied:

- The amount of revenue can be measured reliably;
- (ii) It is probable that the economic benefits associated with the contract will flow to the company;
- (iii) The stage of completion of the contract at the end of the reporting period can be measured reliably; and
- (iv) The costs incurred or to be incurred in respect of the contract can be measured reliably.

Expected loss, if any, on a contract is recognised as expense in the period in which it is foreseen, irrespective of the stage of completion of the contract.

For contracts where progress billing exceeds the aggregate of contract costs incurred to-date and recognised profits (or recognised losses, as the case may be), the surplus is shown as the amount due to customers. Amounts received before the related work is performed are disclosed in the Balance sheet as a liability towards advance received. Amounts billed for work performed but yet to be paid by the customer are disclosed in the Balance sheet as trade receivables. The amount of retention money due form customers within the next twelve months are classified under other current assets as Trade Receivable.

Revenue from contracts from rendering engineering design services and other services which are directly related to construction of an asset is recognised on the same basis as stated in (B) above.

### Other Income

Interest Income is recognised on a basis of effective interest method as set out in Ind AS 109, Financial Instruments, and where no significant uncertainty as to measurability or collectability exists.

Dividend income is accounted in the period in which the right to receive the same is established.

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

#### 2.4 Taxes

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year.

#### (a) Current income tax

Current tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the year end date. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

The company has not opted to exercise the option under section 115BAA of the income tax 1961, as introduced by the taxation laws (Amendment) ordinance, 2019 and decided to continue with the existing rate of tax for the purpose of deferred tax computation.

#### (b) Deferred tax

Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the year and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority."

Current and deferred tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

#### 2.5 Exceptional items

An item of income or expense which by its size, type or incidence requires disclosure in order to improve an understanding of the performance of the company is treated as an exceptional item and the same is disclosed in the notes to accounts.

### 2.6 Impairment of non-financial assets

The Company assesses at each year end whether there is any objective evidence that a non financial asset or a group of non financial assets is impaired. If any such indication exists, the Company estimates the asset's recoverable amount and the amount of impairment loss.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognized in Statement of Profit and Loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised,

then the previously recognised impairment loss is reversed through Statement of Profit and Loss.

The recoverable amount of an asset or cashgenerating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash in flows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

### 2.7 Provisions and contingent liabilities

Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date. Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

#### 2.8 Commitments

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- estimated amount of contracts remaining to be executed on capital account and not provided for;
- b) uncalled liability on shares and other investments partly paid;
- funding related commitment to subsidiary, associate and joint venture companies; and
- d) other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

#### 2.9 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### (a) Financial assets

(i) Initial recognition and measurement

At initial recognition, financial asset is measured at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

### (ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- a) at amortized cost; or
- b) at fair value through other comprehensive income; or
- c) at fair value through profit or loss.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows."

Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. Interest income from these financial assets is included in finance

income using the effective interest rate method (EIR).

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss: Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

The company has currently excercised the irrevocable option to present in Other comprehensive Income, subsequent changes in the Fair value of Equity Instruments. Such an election has been made on instrument-by- instrument basis. The classification is made on initial recognition and is irrevocable.

### (iii) Impairment of financial assets

In accordance with Ind AS 109, Financial Instruments, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets that are measured at amortized cost and FVOCI.

For recognition of impairment loss on financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent years, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial

recognition, then the entity reverts to recognizing impairment loss allowance based on 12 month ECL.

Life time ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the year end.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/expense in the statement of profit and loss. In balance sheet, ECL for financial assets measured at amortized cost is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

### (iv) Derecognition of financial assets

A financial asset is derecognized only when

- the rights to receive cash flows from the financial asset is transferred or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the financial asset is transferred then in that case financial asset is derecognized only if substantially all risks and rewards of ownership of the financial asset is transferred. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

#### (b) Financial liabilities

### (i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss and at amortized cost, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs.

#### (ii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

### Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

#### Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

#### (iii) Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same

lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss as finance costs.

### (c) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

### 3 Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future years.

### 4 Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the year end date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

#### (a) Taxes

The extent to which deferred tax assets can be recognized is based on an assessment of the probability that future taxable income will be available against which the deductible temporary differences and tax loss carryforwards can be utilized. In addition, significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

### (b) Construction Contracts

Recognizing construction contract revenue requires significant judgement in determining actual work performed and the estimated costs to complete

- the work, provision for rectification costs, variation claims etc
- (c) In assessing the recoverability of the trade receivables and contracts assets, management's judgement involves consideration of ageing status, evaluation of litigations and the likelihood of collection based on the terms of the contract.
- 5 Standards (including amendments) issued but not yet effective Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

### Nature and Purpose of Reserves

#### Securities premium reserve

Securities premium reserve is used to record the premium on issue of shares. The reserve will be utilised in accordance with provisions of the Act.

### **General Reserve**

The Company created a General Reserve in earlier years pursuant to the provisions of the Companies Act wherein certain percentage of profits were required to be transferred to General Reserve before declaring dividends. As per the Companies Act 2013, the requirement to transfer profits to General Reserve is not mandatory. General Reserve is a free reserve available to the Company.

### Capital reserve

Capital reserve was created under the previous GAAP out of the profit earned from a specific transaction of capital nature. Capital reserve is not available for the distribution to the shareholders.

On 28.06.2022 consequent to the approval of Resolution Plan under RBI Circular dt.07-06-2019 on Prudential Framework for Resolution of Stressed Assets, CCDs were issued upon conversion of partial debt. The CCDs were converted into equity shares based on the option excercised by the CCD holders and approved by the Board of Directors on 28.11.2024. These equity shares are issued at price of Rs 26.73 per share which is determined based on the minimum price of equity shares being higher of:
  - a) the volume weighted average price of the related equity shares quoted on the recognised stock exchange during the ninety trading days preceding the relevant date; and
  - b) the volume weighted average prices of the related equity shares quoted on a recognised stock exchange during the ten trading days preceding the relevant date.

Approval from stock exchanges are awaited for listing and trading of the said equity shares.

### (B) Defined benefit plans (Unfunded)

### Risks associated with plan provisions

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such Company is exposed to various risks as follows:

Investment Risk	The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.
Interest risk	The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability.

Salary Escalation Risk	The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
Demographic Risk	The Company has used certain mortality and attrition assumptions in valuation of the liability. The Group is exposed to the risk of actual experience turning out to be worse compared to the assumption.

In respect of the plan in India, the most recent actuarial valuation of the present value of the defined benefit obligation were carried out as at March 31, 2025 by Ms.V Subbulakshmi, Fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

No other post-retirement benefits are provided to these employees.

### 51 Financial risk management objectives and policies

The Company is exposed to various financial risks. These risks are categorized into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Company does not engage in trading of financial assets for speculative purposes.

### (A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings and financial instruments.

### (i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's outstanding debt in local currency is on fixed rate basis and hence not subject to interest rate risk.

### (ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a different currency from the Company's functional currency).

The net exposure to foreign currency in respect of recognized financial assets, recognized financial liabilities and derivatives is as follows:

a) Forward exchange contracts entered into by the Company and outstanding as on March 31, 2025 - Nil (March 31, 2024- Nil)

### Foreign currency sensitivity analysis:

Movement in the functional currencies of the various operations of the Company against major foreign currencies may impact the Company's revenues from its operations. Any weakening of the functional currency may impact the Company's import payments and cost of borrowings.

The foreign exchange rate sensitivity is calculated for each currency by aggregation of the net foreign exchange rate exposure of a currency and a parallel foreign exchange rates shift in the foreign exchange rates of each currency by 2%, which represents Management's assessment of the reasonably possible change in foreign exchange rates.

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments. The following table details the Company's sensitivity movement in the increase / decrease in foreign currencies exposures (net):

### (B) Credit risk

"The credit risk to the company arises from two sources:

a) Customers, who default on their contractual obligations, thus resulting in financial loss to the Company

Company evaluates the credentials of a customer at a very early stage of the bid. Company has adopted a policy of 3 tier verification before participating for any bid. The first step of such verification includes verification of customer credentials. The company, as part of verification of the customer credentials, ensures the compliance with the following criterion

- (i) Customer's financial health by examining the audited financial statements
- (ii) Whether the Customer has achieved the financial closure for the work for which the company is bidding
- (iii) Where the customer is Public Sector Undertaking, sanction and availability of adequate financial resources for the proposed work.

Company makes provision on it's financial assets, on every reporting period, as per Expected Credit Loss Method. The provision is made separately for each financial assets of each business line. The percentage at which the provision is made, is determined on the basis of historical experience of such provisions, modified to the current and prospective business and customer profile.

Trade receivables consist of large number of customers, spread across diverse industries and geographical areas. Majority of the customers of the company comprise of Public Sector Undertakings, with whom the company does not perceive any credit risk. As regards the customers from private sector, company carries out financial evaluation on regular basis and provides for any amount perceived as non realisable, in the books of accounts.

b) Non certification by the customers, either in part or in full, the works billed as per the contract, being non claimable cost as per the terms of the contract with the customer

Non certification of works billed The Company has contract claims from customers including costs on account of account of delays / changes in scope / design by them etc. which are at various stages of discussions / negotiations or under arbitrations. The realisability of these claims are estimated based on contractual terms, historical experience with similar

claims as well as legal opinion obtained from internal and external experts, wherever necessary. Changes in facts of the case or the legal framework may impact realisability of these claims
